THE MOON IS OUT!

The moon is out in our classroom this week as our children learn about this heavenly body. We will be reading

Goodnight Moon and even singing a song about the moon and the sun. On Thursday, we will be making a special moon and sun project, so be on the lookout for our beautiful art.

In the sensory table this week, we will have

salt and cars for our kids to play with. It's amazing how much they enjoy running their hands through

the salt and making tracks in it. Have you ever thought of mak-

ing a mini sensory table at your house? You can use a small plastic container and fill it with all kinds of

even try dry beans.

things that are fun for your child to explore. Try rice, salt, and if your child does not put things in their mouth, you can

MR. ADAM SAYS GOODBYE

We loved having Mr. Adam come visit our classroom. He was a wonderful asset to our children and we will truly miss him in our classroom.

One of the most special things about KinderFrogs is that we are able to share what we are doing with people from around the world.
